Dear Bishop Filter

Firstly, every good wish to you and to your church from Bible Society for the year ahead. May it be one in which you truly experience the grace and goodness of God.

Well, the Year of the Bible has begun, along with the BSSA's 200th Anniversary year. Great is thy faithfulness O LORD!

I mentioned in my previous letter that Bible Society would provide to the churches an informative booklet on the Bible for this special year. Herewith attached please find your complimentary copy in PDF format. These booklets are nationwide available through the Organising Secretaries serving your church.

The 2 Million Bibles project is gathering momentum and it would be wonderful if every church in South Africa could aim to contribute at least one Bible and Literacy set per member per year – that's just R100 per member for the year. What a difference that would make to Bible poverty in our land and in our neighbouring lands!

Thank you again for your involvement in the Year of the Bible, and in the work of Bible Society as we celebrate 200 years.

Don't forget to download the Bible 2020 app and become part of the global Bible reading movement.

Your brother in Christ
